

OUR PREMIUM LIST!!

Given for Clubs and Single Subscribers.

AN UNEQUALED ARRAY OF OPPORTUNITIES.

HERE is a series of articles of the highest merit, which we will give all our friends the opportunity of obtaining in the easiest possible way. Our object in offering these splendid premiums is to reward our club raisers.

We have been at great trouble and expense in making up this list of premiums. We have had two prime considerations in view as to the character of the articles: First, we have accepted nothing but the very best things; and, second, we have insisted upon arrangements direct with the manufacturers at the very lowest rates, so as to be able to give our subscribers the advantage of the lowest possible prices.

We have accepted no cheap-grade jewelry. There is no so-called aluminum gold, fine gilt, or any other cheap material, but everything in the list is of a class we can warrant exactly as represented.

We have also demanded and secured from the manufacturers only the latest and most fashionable styles.

We expect that every subscriber will find something he or she will want, and will send us the club required and get it.

We mean, of course, in each case where we say clubs or subscribers, subscribers to THE NATIONAL TRIBUNE for one year, and the full price of the paper, viz., \$1 a year for each subscriber, must accompany the name sent.

Write all addresses very plainly, giving full name, Postoffice, County and State. Much trouble is saved by never omitting the County, because there are so many post-offices of the same name. If the County is omitted, it is sometimes difficult to tell whether Nevada or Nebraska, Mississippi or Minnesota is meant, for example.

In ordering, be particular to give the number of the article as well as the name.

The best way to send money is by Postoffice Money Order, in which case it may be sent at our risk.

If your local Postoffice is not a money-order office, the best way is to register your letter. Money may also be safely sent by Express Money Order or Bank Drafts. Do not send local bank checks. Remember also that postal notes are no safer than money or stamps enclosed in an envelope, being cashed by anyone into whose hands they may fall.

Postage stamps are a drug, and, while taken, are very inconvenient, because we have more now than we can use, and the Government does not redeem them.

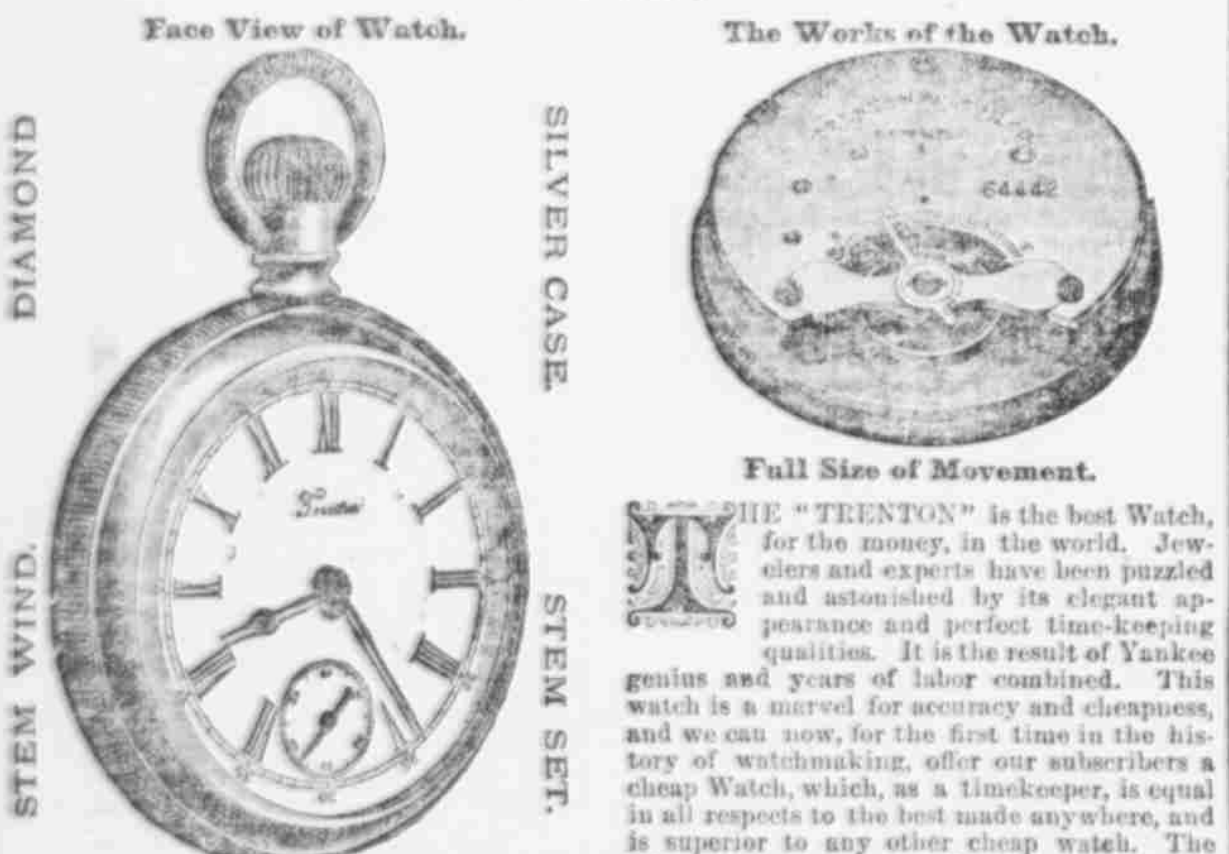

The articles mentioned on this page are only a portion of our premiums. If you desire a complete list—and it will be to your advantage to have it—send us a postal card asking for it, and it will be sent you free of charge.

In all cases, address

THE FAMOUS TRENTON AT CUT PRICES.

without taking off the top plate, is a stem wind and stem set, with back ratchet. It is a three-quarter plate, with quick train (36,000 beats per hour). All the movements are carefully regulated and inspected before leaving the factory.

The "Diamond Silver Case," in which the works are placed, is the best combination of Silver and Nickel ever made. It is worth more than pure silver, and is better. It is set with gold, and will wear the same until worn through to the movement. The snap back will keep out the dust and dirt, and is a dust-proof case, thus avoiding the expense and bother of cleaning so often.

The TRENTON is no experiment. It is an assured success, and pronounced so by all who have seen it. The Watch for the million.

WATCHES ALMOST FREE.

To National Tribune Subscribers Only.

THE NATIONAL TRIBUNE has made a contract for an immense number of Watches, and proposes to sell them for a short time to subscribers only at prices that will seem incredible to those people who have a knowledge of Watches. The most wonderful part of this offer is that, although we can get hundreds of different makes, we confine this proposition to those made at Waltham and Elgin, which, as our readers well know, are absolutely without rivals. They are unquestionably the best Watches in the world. While we hope and expect to be able to con-

time this offer indefinitely, yet it is possible that since our profits are so small we may feel obliged to discontinue it without notice, and we therefore advise our subscribers to order at once. Remember that we guarantee each and every Watch to be the latest and best product of the Waltham or Elgin factories, whichever you may select. Our previous offers still hold good, but it is for your advantage to order from this offer such Watches as it contains. We want it distinctly understood that as this offer is primarily for the benefit of veterans we want them to make as much as possible by selling to their friends, and as soon as it appears that they have been supplied we expect to withdraw the offer without notice.

We guarantee satisfaction in every case. Always state whether you wish a Waltham or an Elgin, and give the number of our offer.

Forty-one Watches

AT WHOLESALE.

No. 99.

THE NATIONAL TRIBUNE, by taking advantage of the necessities of an exporter, has been able to purchase a job lot of gold-filled, engraved hunting-case Watches at less than the manufacturer's price. The gold on the case is guaranteed to wear 15 years. The works contain 7 jewels, compensation balance, safety pinion, stem winding and setting apparatus, and all the latest improvements, and they were made at Waltham by the celebrated U. S. Watch Co. Every watch and case is perfect, but as we bought this lot at a reduced rate we propose to give our subscribers the full benefit of the reduction and to sell these watches singly, to Subscribers only, at the same price that the jeweler pays for them by the thousand. We will not continue this offer after this lot is sold, because we shall probably never again be able to purchase Watches of this grade at so low a price. We will send one of these magnificent timekeepers to any subscriber, delivery guaranteed, for . . . \$13.25

New Waltham Movement.

Offer No. 297.

A \$200 solid gold Watch cannot be bought for \$20, but THE NATIONAL TRIBUNE offers a Watch under the above number that has all the appearance and most of the good qualities of a \$200 Watch. You have never seen a Watch like this, and your jeweler has not either, although the works are familiar to any jeweler, so that in case of accident there would be no trouble in getting it repaired. You must therefore depend upon us for the description of the latest, handsomest, and best Watch made by the great American Waltham Watch Factory. Time and money have been literally squandered in bringing this particular Watch to perfection. The movement (or works) is made according to the celebrated Waltham Riverside model, in which the two nickel winding wheels are plainly seen. The case is the thinnest filled watch-case ever made. Remember, we mean that the Watch when closed in the pocket is thin. The lids of the case are the usual thickness, and form a perfect protection for the movement. It will not take up much room in the pocket. This case is made of a plate of fine composition metal over which two heavy sheets of 14k. gold are drawn, making a case that is for all purposes as good as solid gold, and warranted for 20 years. A written guarantee accompanies each Watch. Every part which is subjected to constant wear, such as the ring, thumb-piece, joint plugs, hinges, etc., is of solid gold. The works are especially recommended where the most accurate time is required. This is just the watch for doctors, lawyers, clergymen, Post Commanders, and all others who wish a really first-class article. As a present to the Commander of your Post, it cannot be excelled. It is so thin and convenient in form that it will even make a good and satisfactory ladies' watch, and it is especially recommended for school-teachers and other professional women on account of its accuracy, which is verifiable by no watch made especially for ladies.

After Jan. 1 we are unable to say what the price will be, and we reserve the right to withdraw this offer at any time. We will send this watch by registered mail to any of our subscribers for . . . \$20

The Great War Books FOR 50 CENTS A SET.

The Grandest Benevolent and Business Enterprise Ever Attempted.

No book, excepting the Bible, has ever had such a sale in the United States as General Grant's Memoirs. 650,000 copies have already gone into the homes of the rich, but the subscription price of \$7.00 has placed it beyond the reach of people in moderate circumstances. If 650,000 people have been willing to pay \$7.00 for Grant's Memoirs, there must be a couple of million people in the United States who want them, and will jump at the opportunity to buy them at the low figure here offered. The two splendid volumes of Grant's Memoirs—not a cheap edition, but the publisher's original edition, best paper, cloth, green

and gold binding, hitherto sold by subscription at \$7.00, for 50 cents; provided you send \$1.00 for THE NATIONAL TRIBUNE for one year, and \$3.00 for a year's subscription to the COSMOPOLITAN MAGAZINE, the brightest and cheapest of the great illustrated monthlies, itself equal to the best \$4.00 magazine. In addition to this you must send 50 cents to pay for the books, and 48 cents for the postage on the books, making a total for the paper, magazine and books, postpaid, \$4.98.
